

# Sugar Lips

<sup>A</sup>  
I've got sweet tooth

For your sugar lips (2x)

<sup>D</sup> Sugar lips, I've got a <sup>A</sup> sweet tooth for your sugar lips

<sup>E</sup> sugar lips, <sup>D</sup> sugar lips

<sup>A</sup>  
I've got a sweet tooth, for sugar lips

<sup>A</sup>  
You're like pink cotton candy, yellow candy corn

You turn salt water taffy into soft core porn

With your <sup>D</sup> sugar lips... <sup>A</sup> sugar Lips

<sup>E</sup> I got a sweet tooth, <sup>D</sup> sweet tooth, for your <sup>A</sup> sugar lips

<sup>A</sup>  
My butterfingers

Are warm and strong

My slowpoke sucker

Will last all night long

In your <sup>D</sup> sugar lips... (chorus)

<sup>A</sup>  
You make my eyes roll back  
and my head go dizzy  
You make my gummy worm soft  
And my pop-rocks fizzy  
With your <sup>D</sup> sugar lips... (chorus)

<sup>A</sup>  
If you wrap your tongue  
Around my lollipops then I can eat  
All the chocolates in your box  
<sup>D</sup> Sugar lips.... (chorus)

<sup>D</sup> How many licks does it really take <sup>C</sup>  
<sup>A</sup> To lick all the frosting off your wedding cake  
<sup>D</sup> My candy thermometer is getting hot <sup>B7</sup>  
<sup>E</sup> Just thinking about the nectar in your honey pot

<sup>D</sup> Sugar lips, <sup>A</sup> sugar lips  
<sup>E</sup> I've got a sweet tooth, a sweet tooth <sup>D</sup>  
<sup>A</sup> For your sugar lips (2x)
